One-On-One Play Sessions

Play sessions are available for your boarding or day-care pet(s). Each session consists of 10 minutes of personalized interaction with your pet only.

DOGS: We have a box of toys which we can use during this time in our fenced-in area.

CATS: We have an indoor space where cats can move about and toys for them to play with.

Play sessions will be limited to well-socialized pets. This will be determined at our discretion.

Any injury sustained during a play session will be immediately attended to and you will be responsible for charges incurred unless the injury was due to our gross negligence.

Each session is \$9.00.

I have read and agree to the terms of this service.
